## WELCOME TO THE ANGLERS ARMS, HAVERTHWAITE.

Here at The Anglers Arms, we pride ourselves on serving delicious food which is all homemade and locally sourced from the Ulverston area. From our classic fish and chips battered in Thwaites ale to mouth-watering burgers, we have something for everyone. Be sure to keep an eye out on our specials board for our favourite Romanian dishes.

Our fully stocked bar offers a variety of refreshments that all pair perfectly with our food. From Thwaites cask ale to a selection of wines and spirits there is something for all.

To the back of the pub, we have our snug room, with a cosy fireplace and pool table which is perfect for the colder months to relax in with friends and family. In the warmer months we have a large outdoor seating area to the front of the pub, which is great for enjoying a drink or two in the sunshine.

So, whether you are popping in for a pint with a friend or for a meal with family, we look forward to welcoming you through our doors soon.

*Dani, Pav and the team.*
